

SATELLITE CLUBS

Satellite clubs are branch clubs of a sponsor club. The satellite club members are Rotarians and considered members of the sponsor club. Only eight members and the support of a sponsor club are needed to start a satellite club. Like a Rotary club, satellite clubs hold regular meetings, have bylaws, and a board, and get involved in community service projects. The sponsor club provides advice and support. In some cases, satellite clubs may grow and apply to become a separate Rotary

club. Satellite club members are Rotarians. Officially, they are members of the sponsor club. For more information, see the [Guide to Satellite Clubs](#) and the [Satellite Club Frequently Asked Questions](#).
