

CORPORATE MEMBERSHIPS

How do corporate memberships work?

Your club is free to offer alternative membership types of any kind, as long as new members are counted as individuals — corporate members in this case — rather than the corporations that sponsor their membership. If the members pay RI dues, they will be included in your club's official membership count and receive all the benefits that other active, dues-paying members enjoy.

Your club can have different policies for these members' other financial obligations (club and district dues, meal costs, etc.), attendance requirements, or service expectations, if these policies are reflected in the club bylaws. Learn more in our [Guide to Corporate Membership](#).
