

E-CLUB MEMBERS

E-Clubs is a Rotary club that meets primarily online.

However, it is up to the club to decide If they wish to be called an e-club. Rotary no longer distinguishes between clubs that hold face-to-face meetings and clubs that meet online.

That is because all clubs now have the option of meeting in person, online (using applications such as Skype, Zoom, or FaceTime), or a combination of both.

If they choose clubs that meet exclusively or primarily online may keep that word in their name and continue to brand themselves as an e-club to emphasize their preferred meeting format.
