

TERMS AND CONDITIONS FOR ROTARY FOUNDATION DISTRICT GRANTS

District grants fund small-scale, short-term activities that address needs in your community and communities around the world. These activities align with The Rotary Foundation’s mission to help Rotary members advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty. Districts decide which activities they want to support with district grants.

The Rotary Foundation may modify these terms and conditions at any time to clarify them or to reflect policy changes. Changes made as of March 2023 include:

- Clarifying that grant funds cannot be used to refund expenses related to in-person events or meetings that were canceled or that participants were unable to attend, or for expenses related to mandatory quarantines (see section 5, Travel Policies)
- Adding that grant-funded travelers should review information from the IATA Travel Centre to confirm that they obtain the necessary travel documentation and comply with all COVID-19 requirements and other regulations for inbound travel (see section 5, Travel Policies)
- Clarifying that copies of all receipts and bank statements related to how grant funds were spent should be kept for at least five years (see section 8, Reporting Requirements)
- Adding that all unused grant funds in India need to be returned to the Foundation (see both section 8, Reporting Requirements, and section 11, Special Considerations for India)
- Adding that accountants who certify the utilization certificate for grant funds used in India must also provide their unique document identification number (see section 11, Special Considerations for India)

You can find additional updates and resources, including the [Terms and Conditions for Rotary Foundation Global Grants](#), at rotary.org/grants or ask for them from [Rotary grants staff](#).

- E. [Qualify](#) the district applying for the grant.
- F. All parties involved in the grant need to be in good standing with Rotary International and The Rotary Foundation.
- G. Limit each district to 10 open grants at a time (including global grants for which the district is the primary sponsor).
- H. Ensure that all project names comply with Rotary's policies for the use of its logos, emblems, and graphics (see section 1, Eligible Activities).
- I. Request any needed increases in the grant amount before the Foundation has paid any portion of the grant. The grant award cannot be changed after the grant is paid.
- J. Plan for contingencies. Your district may allocate up to 20% of its district grant funds for contingencies that may arise during the year, but all activities you add to the grant after it has been approved need to be approved by the Foundation before you can spend the money. Include the contingency fund in your spending plan and itemize contingency expenses in your final report.

- G. Rotary International works with a global security advisory firm to maintain a [travel ban list](#). Because of safety concerns, the Foundation does not fund travel to these countries. If a country is added to the list while grant-funded travelers are in it, arrangements will be made for their immediate evacuation. Refusal to comply with these travel restrictions or evacuation orders will result in the Foundation canceling the grant and requiring the return of any funds that have already been disbursed. The Foundation cannot fund any grant project that involves international travel to a country on the list, even if the cost of travel is not part of

the project budget.

6. HOW GRANTS ARE FUNDED

- A. The Rotary Foundation funds district grants solely from District Designated Fund (DDF) allocations.

- B. District grant funds can't be released until the district grant from the previous Rotary year is closed.
- C. District grants are paid at the Rotary International exchange rate at the time of payment.

8. REPORTING REQUIREMENTS

- A. Grant recipients report to the Foundation on how grant funds are used.
- B. Reports are submitted through the [Grant Center](#). Only complete forms will be accepted.

- E. Districts are required to report the use of grant funds to their member clubs according to the terms of their qualification.
- F. Grant sponsors are required to keep copies of all receipts and bank statements related to how grant funds were spent for at least five years, according to the terms of their qualification and applicable laws.
- G. Grant sponsors that don't adhere to Foundation policies and guidelines in implementing and financing grant projects will be required to return all grant funds and may be barred from receiving other grants for up to five years.
- H. Final reports that document the disbursement of funds need to be submitted to the Foundation within 12 months after sponsors receive the payment, or within two months of the last grant money being disbursed. For grants paid to Argentina and Brazil, receipts for all expenses must be submitted with reports.
- I. All activities funded by district grants need to be completed within 24 months after the district transfers funds to the club or direct beneficiary.
- J. If more than US\$1,000 of grant funds remain after all grant activities are completed, the Foundation needs to approve their use for additional eligible activities. If you cannot spend these funds as approved, you need to return them to The Rotary Foundation, and they will be credited to the district's DDF.
- K. If US\$1,000 or less of grant funds remain after all grant activities are completed, they may be used for

activities that meet the district grant eligibility requirements without preapproval from the Foundation. Remaining grant funds in any amount may not be spent on expenses that are not related to the district grant.

- L. Grant funds of US\$1,000 or less that are returned to the Foundation will be credited to the World Fund.
- M. The following countries have their own requirements for returning funds:
 - 1. Argentina: Any unused grant funds of more than 10 Argentine pesos need to be returned.

9. CANCELED GRANTS

- A. If a grant has been approved but not paid, all funds will be returned to the district's DDF balance.
- B. If a grant has been approved and paid, all grant funds need to be returned to the Foundation and will be returned to the district's DDF balance.
- C. Any interest earned on grant funds need to be sent to the Foundation.

10. CONFLICT OF INTEREST POLICY FOR GRANTS

- A. Ensuring integrity in Rotary Foundation grants requires that everyone involved avoid actual and perceived conflicts of interest.
- B. A conflict of interest occurs when someone is in a position to make or influence a decision about a grant that could benefit them, their family, their business, or an entity in which they serve in a paid or voluntary leadership or advisory position.
- C. All actual or perceived conflicts of interest need to be disclosed to Rotary grants staff during the application process. If you're not sure whether a situation presents a conflict of interest, you should disclose it.
- D. The Rotary grants staff or the Trustees will determine whether a conflict of interest exists in a particular case. If they conclude that there is or has been a conflict of interest in a grant, the grants staff will recommend to the Trustees an appropriate remedy to protect the integrity of the grant process. Remedies may include removing a member from a grant committee, declining a grant application, canceling an approved grant, or suspending a particular member, club, district, or cooperating organization from participating in Rotary grants.
- E. Some people are not eligible for grants or to benefit from any Foundation grants. They include:
 - 1. Current Rotarians
 - 2. Employees of clubs, districts, other Rotary entities (as defined in section 1.040. of the [Rotary Code of Policies](#)), or Rotary International
 - 3. The spouses; children or grandchildren by blood, legal adoption, or marriage without adoption; the spouses of those children or grandchildren, or parents or grandparents by blood of people listed above; and employees of agencies, organizations, or institutions that partner with Rotary International or the Foundation
 - 4. Former Rotarians and people with the familial relationships to former Rotarians described above, for

three years after their or their relative's membership ends

- F. Rotary members who serve on a club or district selection committee that is responsible for a grant-funded activity need to be completely transparent about their personal, family, or business relationships with any person or organization that would be affected by a potential Rotary grant. This includes, but is not limited to, any relationship with scholarship candidates, cooperating organizations, vendors, or other people or organizations that would benefit from the grant. Committee members need to notify the committee chair of any actual or perceived conflict of interest before the selection process begins, and the actual or potential conflict also needs to be disclosed in the grant application.
- G. Before a Rotary district, club, or member conducts business related to a grant-funded activity that involves a vendor being paid by a Rotary entity, a fair, transparent, and thorough request for proposals or a bidding process needs to be conducted to ensure that the best services are secured at a reasonable cost. Possible conflicts of interest may arise when a Rotary entity is considering business in which funds will be paid to a member, a provider of goods or services that is owned or managed by a member, an honorary member, or the people listed above who are ineligible for Foundation grants.
- H. All grant transactions need to be reviewed to confirm that there is no conflict of interest with vendors or payment recipients, including, among others, partner nongovernmental organizations, providers of goods or services, insurance companies, shipping companies, and educational institutions. Vendors with conflicts of interest may be used if the vendor provides the best product or service at fair market cost, as evidenced by a sales quote or an offer obtained through a fair, transparent, and thorough bidding process.
- I. For more information on Rotary's Conflict of Interest Policy, please see section 30.040. of [The Rotary Foundation Code of Policies](#).

11. SPECIAL CONSIDERATIONS FOR INDIA

- C. All grant payments will be sent to bank accounts opened specifically to receive funds in Indian rupees or to a club-controlled FCRA account. Grant funds will not be released to a bank account in India unless all general payment conditions listed below have been met. Either the staff need to determine that enough funds are available from contributions made within India or the sponsors need to provide documentation showing that the bank account is registered under the FCRA. Otherwise, the payment will be placed in a queue and paid on a first-come, first-served basis only when more contributions (from within India) are made and enough funds are available. Grant sponsors need to ensure that funds received in a FCRA-registered bank account are not commingled with local funds. Funds won't be released until all sponsor contributions have been submitted to The Rotary Foundation and any payment contingencies have been met. Grant funds will be paid to the account provided by the grant sponsors.
- D. Progress reports on grant funds paid from Rotary Foundation (India) or the Rotary International South Asia office through 31 March are due by 31 May of the same year. Final reports are due two months after the project is completed. All progress reports need to meet all general reporting requirements as listed in section 8, Reporting Requirements. In addition, the grant sponsors need to:

1. Submit a progress report electronically in the [Grant Center](#)
 2. Inform the South Asia office that the progress report has been filed
 3. Upload the utilization certificate if grant funds have been used, along with a statement of receipt and payment for the grant amount, certified by an independent chartered accountant (including that person's membership number and unique document identification number); the utilization certificate must say whether it was Rotary Foundation (India) or the South Asia office that paid the grant funds
 4. Upload the bank statement or passbook (or a photocopy certified by the bank manager or a chartered accountant)
 5. Upload all bills, invoices, and receipts in the [Grant Center](#)
- E. If for any reason the grant funds were not used, include an original bank statement or bank passbook (or a photocopy certified by the bank manager or a chartered accountant) indicating the date on which the grant amount was credited and a statement explaining why the grant amount has not yet been used, even if it was received before March.
- F. Final reports need to meet all general reporting requirements listed in section 8, Reporting Requirements. In addition, the grant sponsors need to:
1. Submit a final report electronically in the [Grant Center](#)

 3. Upload the utilization certificate if grant funds have been used, along with a statement of receipt and payment for the grant amount, certified by an independent chartered accountant (including that person's membership number and unique document identification number); the utilization certificate must say whether it was Rotary Foundation (India) or the South Asia office that paid the grant funds
 4. Upload the bank statement or bank passbook (or a photocopy certified by the bank manager or a chartered accountant)
 5. Submit a bank reconciliation statement, if multiple grants were paid to a single Indian rupee or FCRA account
 6. Upload all bills, invoices, and receipts in the [Grant Center](#)
 7. Upload the undertaking that "all originals will be kept for a period of eight years and will be produced as and when required by Rotary Foundation (India) or the South Asia office" in the [Grant Center](#)
 8. Return all unused grant funds to the entity that paid the funds (Rotary Foundation (India) or the Rotary International South Asia office)
 9. Retain information about the people who benefited from the project, including photographs, newspaper clippings, and letters of appreciation, because it may be requested by Rotary Foundation (India) or the South Asia office

12. SPECIAL CONSIDERATIONS FOR THE PHILIPPINES

- A. In addition to the other terms and conditions, grants paid to a Rotary district or club in the Philippines require more documentation to comply with Philippine law.
- B. The Securities and Exchange Commission of the Philippines requires foundations to include supporting documents for all the projects that they have provided funding to when they file financial statements. You

can find more information in Securities Regulation Code 68, as amended. To comply, grant sponsors need to get certification from any of these people or organizations in the area where they have jurisdiction:

1. Office of the Mayor, stamped with an office seal
 2. Head of the Department of Social Welfare and Development, stamped with an office seal
 3. Head of the Department of Health, stamped with an office seal
