

Inbound Health Insurance

YOUR INBOUND HEALTH INSURANCE

As an Inbound Student to District 7010, the Insurance recommended by your sponsoring District may be sufficient for our purposes. Insurance from your home country must be pre-approved by your Country Officer in District 7010. If you receive a letter requesting you to purchase our district approved insurance you must complete this task before receiving your documents to apply for your visa. All exchange students (except those countries with pre-approved insurance plans as noted above) must have purchased the health and accident insurance arranged by Rotary District 7010 BEFORE arriving in D7010. This insurance is issued by CSI-Bolduc. All students must purchase Annual Term Plan B and Personal Liability.

Application

The fastest and easiest way to complete this is on-line. Go to the application page by clicking on "Enroll online" at <http://www.cisi-bolduc.com/> you can connect to the on-line application and have this done in minutes. The insurance company in turn will issue the policy on-line and send us both copies via e-mail. Save a copy for yourself when submitting the application.
